regen

Skin Tightening & Fat Reduction for Face & Body. Immediate Visible Results!!! Tripollar RF Technology delivers RF Energy to the deep layers of the skin while protecting the surface layer. Collagen is heated, creating an immediate contraction, followed by remodeling of deep collagen which in turn over a full treatment course produces tighter more youthful skin.

quantum ipl - intense pulse light

Permanent Hair Reduction & Photo Rejuvenation

Up to 4 times the power of any other IPL. A breakthrough treatment that can correct a variety of skin conditions such as facial skin imperfections, birthmarks, unsightly small veins, brown pigment, age spots, freckles and sun damage. It helps rejuvenate tired skin by stimulating the fibroblast cells which produce collagen and elastin production. This gives the skin a firm and plump appearance.

Speak to your professional IPL therapist for a consultation.
